**Ready to
start your
career in
Wall and
Floor Tiling?**

Course Overview

State and territory jurisdictions may have different licensing, legislative, regulatory or certification requirements. Relevant state and territory regulatory authorities should be consulted to confirm those requirements.

This qualification is suitable for an Australian apprenticeship pathway.

Completion of the general construction induction training program, specified in the Safe Work Australia model Code of Practice: Construction Work, is required by anyone carrying out construction work. Achievement of **CPCWHS1001** Prepare to work safely in the construction industry meets this requirement.

Career Opportunities

This qualification provides a trade outcome in wall and floor tiling for residential and commercial construction work. The qualification has core unit of competency requirements that cover common skills for the construction industry, as well as the specialist field of work, wall and floor tiling. Tilers work with materials like ceramic, glass, slate, marble and clay. They cut these materials and lay tiles on walls and floors, both interior and exterior. They may also add decorative touches to their basic work.

Occupational titles may include:

- Tiler
- Wall and Floor tiler

Entry Requirements

- Be aged 18 years or over at the time of applying for admission to the college.
- Must have satisfactorily completed studies in applicant’s home country equivalent to an Australian Year 11/12 qualification.
- Have an IELTS band score of overall 6.0 (Academic or General) or equivalent in line with the Department of Education and the Department of Home Affairs (DOHA) regulations (Refer to the **DOHA’s website** and OC’s International Application, Enrolment and Orientation Policy for further details).
- Be competent in written and spoken English and will undertake a Language, Literacy, Numeracy and Digital literacy test prior to commencing the training. Refer to LLND policy for further details.
- Have a sense of balance and the ability to cope with the physical demands of the training and assessment that involves working at heights, heavy lifting, manual labour, operation of tools (both manual and power tools), etc.
- Have internet access and a computer with up-to-date software, including Microsoft Office, Adobe Acrobat Reader and Adobe Flash Player. The student’s device must also have a camera and speaker functions. The **Bring Your Own Device (BYOD) Policy** applies to this course.

CPC31320

Certificate III in Wall and Floor Tiling

This course is delivered by Orange International College Pty. Ltd. | ABN : 15 167 063 596, CRICOS Provider Code : 03446A | RTO No : 41315

Course Information

Student	International/ Overseas
Cricos Course Code	120785H
Delivery Mode	Orange College adopts a blended learning model, combining 70% face-to-face delivery with 30% Guided Online Learning and Training (GOLT) to provide flexibility
Campus locations	235 Ingles Street, Port Melbourne, VIC 3207
Duration	This qualification will be delivered as full-time study over the course of 59 weeks, with 16 weeks as breaks/ holidays. Duration may vary based on mode of delivery and/or RPL and CT
Intake	For more information, please visit our website www.orange.edu.au or contact 1300069642
Fees	For more information, please visit our website www.orange.edu.au or contact 1300069642

- Basic digital literacy skills include ability to e-communicate(l e.g. using emails, zoom etc.) and access information through digital technologies of internet platforms, social media, search engines, emails and basic use of MS Office products).
- *Note: If a student's educational qualifications do not meet OC's admission requirements, other factors may be considered at the discretion of OC. (Please contact admission staff for more details and refer to the International Application, Enrolment and Orientation policy for further details)

Learning Outcomes:

On the successful completion of this course, the students are going to be awarded the CPC31320 Certificate III in Wall and Floor Tiling, which is a nationally recognised qualification.

Students who do not complete all the units may be eligible for a Statement of Attainment in the partial completion of the qualification.

Training Pathway (but not limited to)

The following is the suggested study pathway after successfully completing CPC31320 Certificate III in Wall and Floor Tiling

Certificate IV	Diploma	Advanced Diploma
• CPC40120 Certificate IV in Building and Construction (Building)	• CPC50220 Diploma of Building and Construction (Building)	• CPC60220 Advanced Diploma of Building and Construction (Management) • CPC60121 Advanced Diploma of Building Surveying

The qualification has core units of competency requirements that cover common skills for the construction industry. The construction industry strongly affirms that training and assessment leading to recognition of skills must be undertaken in

a real or very closely simulated workplace environment and this qualification requires all units of competency to be delivered in this context.

Packaging Rules

To achieve this qualification, the candidate must demonstrate competency in 20 units of competency, including 17 core units, 3 elective units:

Electives must be selected as follows:

- All three (3) units from the list of electives provided in the Training Package CPC31320, or
- Two (2) units from the listed electives in CPC31320, plus one (1) unit from any current Training Package or accredited course at the same AQF level (Certificate III or higher), provided that it:
 - » Contributes to a valid, industry-supported vocational outcome
 - » Maintains the integrity of the AQF level of this qualification
 - » Does not duplicate the outcome of another unit already selected in this qualification

Core Units	
Unit Code	Unit Name
CPCCCM2006	Apply basic levelling procedures
CPCCOM1012	Work effectively and sustainably in the construction industry
CPCCOM1013	Plan and organise work
CPCCOM1014	Conduct workplace communication
CPCCOM1015	Carry out measurements and calculations
CPCCOM2001*	Read and interpret plans and specifications
CPCCWF2001*	Handle wall and floor tiling materials
CPCCWF2002*	Use wall and floor tiling tools and equipment
CPCCWF3001*	Prepare surfaces for tiling application
CPCCWF3002*	Install floor tiles
CPCCWF3003*	Install wall tiles
CPCCWF3004*	Repair wall and floor tiling
CPCCWF3005*	Install decorative tiling
CPCCWF3006*	Install mosaic tiling
CPCCWF3007*	Tile curved surfaces
CPCCWF3009*	Apply waterproofing for wall and floor tiling
CPCCWHS2001	Apply WHS requirements, policies and procedures in the construction industry
Elective Units	
Unit Code	Unit Name
CPCCCM2012*	Work safely at heights
CPCCCM2008*	Erect and dismantle restricted height scaffolding
CPCWHS3001	Identify construction work hazards and select risk control strategies

*Units with an asterisk above have CPCCWHS2001 Apply OHS requirements, policies and procedures as a prerequisite. Prerequisite unit/s must be assessed before assessment of any unit of competency with an asterisk. All prerequisite requirements are packaged in the qualification.

The selection of elective units has been validated by gaining feedback on the course design through industry consultation.

Delivery Arrangements

Study mode

- Students are required to attend 14 hours of face-to-face training/ assessment per week, including simulation, tutorials and supervised support sessions.
- They are also expected to complete 6 hours of guided online-based learning, making up a 20-hour structured learning week.
- In addition, learners may need to engage in up to 15 hours of self-directed learning per week (indicative only).

Delivery mode

The training will be delivered in 59 weeks with classes scheduled for 43 weeks and 16 weeks of break/ extra tutorials/reassessment period as per the requirement of individual student/learner. Classroom delivery is implemented by setting up an appropriate training plan indicating the units and sequence of delivery and access to session plan and LMS.

Assessment Methods

Assessment methods for this qualification include Guided Online Learning and Training (GOLT), written questions, projects, observations, presentations, case studies, reports, practical activities and work placement (if applicable only). GOLT are online, auto-marked summative assessments like True/False, Fill-in-the-Blanks, and Multiple-Choice questions.

Recognition of Prior Learning (RPL) and Credit Transfer (CT)

Credit Transfer

If a certificate or statement of results is produced and verified, a credit transfer process will be initiated by Orange College in relation to the units as per the training plan. Credit transfer is a process that provides students with agreed and consistent credit outcomes for components of a qualification based on identified equivalence in content and learning outcomes between matched qualifications. *(Source: AQF)*

RPL

Upon enrolment of all learning programs, Orange College’s code of practice states that all candidates for assessment will be offered RPL. This is reiterated in the student handbook and acknowledged in writing. RPL is an assessment process that assesses an individual’s non-formal and informal learning to determine the extent to which that individual has achieved the required learning outcomes, competency outcomes, or standards for entry to, and/or partial or total completion of, a qualification.

“Recognition of prior learning is an assessment process that involves assessment of an individual’s relevant prior learning (including formal, informal and non-formal learning) to determine the credit outcomes of an individual application for credit.” *(Source: AQF)*
