

Course Code: CPC30611

Certificate III in Painting and Decorating

CRICOS Course Code: 099949F

Vocational Placement 360
(Included in the course) Hours

Program Description

This qualification provides a trade outcome in painting and decorating for residential and commercial construction work.

Occupational titles may include:

Painter and decorator

The qualification has core unit of competency requirements that cover common skills for the construction industry, as well as two specialist fields of work.

The construction industry strongly affirms that training and assessment leading to recognition of skills must be undertaken in a real or very closely simulated workplace environment and this qualification requires all units of competency to be delivered in this context.

Completion of the general induction training program specified by the National Code of Practice for Induction Training for Construction Work (ASCC 2007) is required before entering a construction work site. Achievement of unit CPCCOHS1001A covers this requirement.

Recognition of Prior Learning RPL and Credit Transfer CT

Credit Transfer

If a certificate or statement of results is produced and verified, a credit transfer process will be initiated by OIC (Orange International College) in relation to the units as per the training plan.

"Credit transfer is a process that provides students with agreed and consistent credit outcomes for components of a qualification based on identified equivalence in content and learning outcomes between matched qualifications." (Source: AQF)

RPL/RCC

At enrolment of all learning programs OIC's code of practice states that all candidates for assessment will be offered RPL. This is reiterated in the student handbook and acknowledged in writing.

RPL is an assessment process that assesses an individual's non-formal and informal learning to determine the extent to which that individual has achieved the required learning outcomes, competency outcomes, or standards for entry to, and/or partial or total completion of, a qualification.

"Recognition of prior learning is an assessment process that involves assessment of an individual's relevant prior learning (including formal, informal and non-formal learning) to determine the credit outcomes of an individual application for credit." (Source: AQF)
