

Course Code: CPC30211

# Certificate III in Carpentry

CRICOS Course Code: 097530E

## Program Description

This qualification is suitable for anyone currently working as a carpenter in a construction environment. This qualification provides a trade outcome in carpentry, covering work in residential and commercial applications. You will learn the basic foundations and content to develop the skills and knowledge used in the building and construction industry to efficiently produce quality work. You will also learn about safe work practices and about the context of the building industry.

### PROGRAM DURATION AND SCHEDULE

<b>CRICOS CODE</b>	097530E
<b>INTERNATIONAL PROGRAM</b>	Yes
<b>INTAKE SCHEDULE</b>	Various dates throughout the year (Contact us: +61 3 9670 2985)
<b>LOCATION</b>	Melbourne CBD & Port Melbourne Campus
<b>FEE STRUCTURE</b>	Please contact us at +61 3 9670 2985 or email at info@orange.edu.au to get the latest information.

### PROGRAM STRUCTURE

CORE UNITS	
CPCCCA2002B	Use carpentry tools and equipment
CPCCCA2011A	Handle carpentry materials
CPCCCA3001A	Carry out general demolition of minor building structures
CPCCCA3002A	Carry out setting out
CPCCCA3023A	Carry out levelling operations
CPCCCM1012A	Work effectively and sustainably in the construction industry
CPCCCM1013A	Plan and organise work
CPCCCM1014A	Conduct workplace communication
CPCCCM1015A	Carry out measurements and calculations
CPCCCM2001A	Read and interpret plans and specifications
CPCCCM2002A	Carry out excavation
CPCCCM2007B	Use explosive power tools
CPCCCM2008B	Erect and dismantle restricted height scaffolding
CPCCCM2010B	Work safely at heights
CPCCCO2013A	Carry out concreting to simple forms
CPCCOHS2001A	Apply OHS requirements, policies and procedures in the construction industry
CPCCCA3003A	Install flooring systems
CPCCCA3004A	Construct wall frames
CPCCCA3005B	Construct ceiling frames
CPCCCA3006B	Erect roof trusses
CPCCCA3007C	Construct pitched roofs
CPCCCA3008B	Construct eaves
ELECTIVE	
CPCCCA2003A*	Erect and dismantle formwork for footings and slabs on ground
CPCCCA3010A*	Install and replace windows and doors
CPCCCA3012A*	Frame and fit wet area fixtures
BSBWRT301	Write simple documents
BSBITU314	Design and produce Spreadsheets
CPCCCA3016A*	Construct timber external stairs
BSBSMB301	Investigate micro business opportunities
BSBSMB406	Manage small business finances
ADDITIONAL ELECTIVE	
CPCCWHS1001	Prepare to work safely in the construction industry

\*Unit of CPCCOHS2001A Apply OHS requirements, policies and procedures is a prerequisite for the above units with \*

## Assessment Methods

Written Questions, Projects, Observation, Presentation, Case Study, Reports, Practical Activity.

## Mode and Method of Delivery

**Study mode:** Full time (20 hours per week – 70% hours face to face and 30% hours online), Learners may require 10 hours\* of self-directed learning per week (\*Indicative only).

**Delivery mode:** Blended Model supported with Learning Management System. Please contact Student Services for more information.

This is an intensive program that is delivered through blended training model. Students are required to attend 14 hours/week (Including Tutorials/Simulation or Construction Site visit) and 6 hours Online based on Flipped Learning (within 20 hours per week schedule).

## Entry Requirements

- All students must be aged 18 years or over (International students) at the time of applying for admission to the College.
- Satisfactory completion of studies in applicant's home country equivalent to an Australian Year 11/12 qualification\*
- IELTS band score of overall 5.5 (Academic or General) or equivalent in line with the Department of Education and DOHA regulations (Please contact admission staff for more details and refer to Application, Enrolment and Orientation policy for further details)
- If student's \*educational qualifications do not meet OIC's admission requirements, other factors may be considered at the discretion of OIC (Orange International College). (Please contact admission staff for more details and refer to Application, Enrolment and Orientation policy for further details)
- The unit, CPCCWHS1001 (Prepare to work safely in the construction industry) will be co delivered in week 1 of the course start date and delivered as additional elective. If a student has already completed or has latest White Card, then they do not have to complete this unit. This unit of competency specifies the mandatory work health and safety training required prior to undertaking construction work or access to any construction site. There is no charge from OIC for this unit.
- Learners are required to be competent in written and spoken English and will undertake a Language, Literacy and Numeracy test prior to commencing the training.
- Bring Your Own Device (BYOD) Policy is applicable for this course. Please refer to the Policy for more details <https://www.orange.edu.au/wp-content/uploads/pdf/no-vacore/BYOD%20Policy.pdf>

## Recognition of Prior Learning RPL and Credit Transfer CT

### Credit Transfer

If a certificate or statement of results is produced and verified, a credit transfer process will be initiated by OIC (Orange Inter-

national College) in relation to the units as per the training plan.

Credit transfer is a process that provides students with agreed and consistent credit outcomes for components of a qualification based on identified equivalence in content and learning outcomes between matched qualifications." (Source: AQF)

### RPL/RCC

At enrolment of all learning programs OIC's code of practice states that all candidates for assessment will be offered RPL. This is reiterated in the student handbook and acknowledged in writing.

RPL is an assessment process that assesses an individual's non-formal and informal learning to determine the extent to which that individual has achieved the required learning outcomes, competency outcomes, or standards for entry to, and/or partial or total completion of, a qualification.

"Recognition of prior learning is an assessment process that involves assessment of an individual's relevant prior learning (including formal, informal and non-formal learning) to determine the credit outcomes of an individual application for credit." (Source: AQF)

## Qualification

On successful completion of this course the learners are going to be awarded Certificate III in Carpentry CPC30211, which is a nationally recognised qualification. Possible career outcomes may include carpenter, joiner.

Students who do not complete all units may be eligible for a Statement of Attainment in partial completion of the Certificate III in Carpentry CPC30211.

## Pathways

### Training Pathway (but not limited to)

Certificate III	Diploma	Advanced Diploma
CPC30211 – Certificate III in Carpentry	CPC50210 – Diploma of Building and Construction (Building)	CPC60212-Advanced Diploma of Building and Construction(Building)

This qualification provides a trade outcome in carpentry, covering work in residential and commercial applications.
