

Simplified Student Visa Framework (SSVF) Requirements

Please go through the [Document Checklist Tool](#) to check Financial and English Language documentary requirements when applying under the SSVF. (Please refer to page 2 for instructions)

Streamlined students from Low risk countries

1. Our [English](#) and [academic entry requirements](#) for selected program must be met by the applicant.
2. Applicants need to complete along with their [International Student Application](#) to meet our requirements for offer assessment.
3. If we have any concerns about the student's [GTE \(Genuine Temporary Entrant\)](#), the applicant will be asked for supporting documents and / or a [Statement of Purpose \(SOP\)](#) and/ or [Simplified Student Visa Framework \(SSVF\) Genuine Temporary Entrant \(GTE\) questionnaire](#) and/or GTE interview for further Pre Visa Assessment (PVA).

Regular students from High risk countries

1. Our [English](#) and [academic entry requirements](#) for selected program must be met by the applicant.
2. Applicants need to complete [Simplified Student Visa Framework \(SSVF\) Genuine Temporary Entrant \(GTE\) questionnaire](#) along with their [International Student Application](#) to meet our requirements for offer assessment.
3. [SSVF Financial Assessment Form](#) must be completed and submitted by applicants along with all supporting documents to prove that their funds are genuinely available to meet the financial requirements.
4. The applicant will be asked for supporting documents and / or a GTE interview for further Pre Visa Assessment (PVA), if we have any concerns about the student's financial capacity or GTE.
5. Visa refusal risk factors may vary, due to different economic systems for each country and each individual, so the requirements for supporting documents for SSVF may also differ on a country by country, and case by case basis.

Onshore students who already hold valid student visa

1. Our [English](#) and [academic entry requirements](#) for selected program must be met by the applicant.
2. Applicants need to complete along with their [International Student Application](#) to meet our requirements for offer assessment.
3. If we have any concerns about the student's [GTE \(Genuine Temporary Entrant\)](#), the applicant will be asked for supporting documents and / or a [Statement of Purpose \(SOP\)](#) and/ or [Simplified Student Visa Framework \(SSVF\) Genuine Temporary Entrant \(GTE\) questionnaire](#) and/or GTE interview for further Pre Visa Assessment (PVA).

In case we believe that due to a specific risk factor the Department of immigration and Border Protection (DIBP) may reject the student's visa application, Orange International College reserves the right to seek additional documentations / evidence and / or [GTE interview](#). We will request students to process payment only after successful completion of Pre-Visa Assessment (PVA).

Document Checklist Tool

This tool provides an indication of the evidence you will need to submit with your application. We might ask you for additional evidence.

Step 1. Go to DIBP website

Step 2. Document Checklist Tool

Document Checklist Tool

Select information relevant to you. Leave fields blank if you are not sure.

Country of Passport

Colombia

Education Provider

Orange International College

Step 3. Documentary Evidence List

Documentary Evidence List

Enrolment

Evidence of your enrolment must be provided to make a valid application.

- If applying outside Australia this must be a Confirmation of Enrolment (CoE) for all intended courses.
- If applying in Australia this can be a letter of offer or CoE for all intended courses but a CoE must be provided before the visa can be granted.
